

QUALITY POLICY STATEMENT

It is the Policy of Skar Precision Mouldings Ltd to provide a high quality, professional and efficient service in order to ensure the satisfaction of all of our interested parties. This Quality Policy will result in securing efficiency, a strong customer focus and the enhancement of long-term sustainability and profitability within the Company. Our customer focus is also evidenced through our Customer Care Policy.

The Top Management team will show leadership and commitment and bear the responsibility for establishing, implementing, integrating and maintaining the Business Management System (BMS). Skar Precision Mouldings Ltd undertakes to ensure that sufficient resources are made available to achieve this.

It also undertakes to ensure through communication, engagement, practical example and training that Quality is the aim of all employees of the Company.

Through direction and support, each employee will have a proper understanding of the importance of the BMS, their responsibility to contribute to its effectiveness and its direct relevance to the success of the Company.

Equally, every employee is responsible for and will be trained in the duties required by his or her specific role.

Skar Precision Mouldings Ltd has a Policy of promoting continual improvement and setting of quality objectives in line with the framework laid down within the ISO 9001:2015 Standard. These objectives will address the risks and opportunities within the Company, as determined by Top Management.

Skar Precision Mouldings Ltd hereby certifies that the Scope of the Management System and all associated documentation accurately describes the BMS in use within the Company such as to meet the requirements of ISO 9001:2015.

The BMS will be monitored, measured, evaluated and enhanced regularly under the Top Management's ultimate responsibility, with regular reporting and communication of the status and effectiveness at all levels.
